Direct Pro Audio Rental Agreement

1. The minimum rental term is one day (24 hours), and is subject to availability.
2. Rental fees are determined by an associate of DPA, LLC and are non-negotiable. Rental fees accrue from time equipment is received by Lessee to the time it is checked in at the Lessor's (Direct Pro Audio, LLC) premises.
3. Title to the equipment is, and at all times shall remain, in the name of the Lessor. Lessee will not permit the equipment to be used by any other person without the express consent of the Lessor.
4. Lessee shall use the equipment in a careful and safe manner and shall comply with all laws relating to its possession or use. Equipment must be used by trained and/or experienced personnel.
5. Lessor shall not be liable for any loss, delay or damage of any kind or character resulting from defects in or inefficiencies of the equipment or accidental breakage thereof.
6. Lessee shall be solely responsible for and shall indemnify, defend and hold Lessor harmless against all claims, suits, damages or losses, specifically the loss of property, and all other liabilities whatsoever, including related expenses and attorney's fees, for or on account of injuries to or death of any person, including but not limited to the property of the Lessee or Lessor, occasioned by the operation, handling or transportation of the equipment during the rental period or while the equipment is in the possession or control of the Lessee. Notwithstanding the foregoing, Lessee shall have no indemnity obligations whatsoever to the extent any such claims, suits, damages, losses, or other liabilities are caused, directly or indirectly, by the negligence of Lessor.
7. Upon the termination of this agreement, Lessee will promptly return equipment and all attachments, cables, and parts, to the Lessor at the Lessor's place of business by 6:00 PM on the agreed return date. Lessee is responsible for daily rental charges accruing during the time the equipment is not at the Lessor's premises.
8. Equipment must be returned in the same condition in which such equipment was received and in clean, working condition. Lessor reserves the right to apply cleaning, repair, or replacement fees as Lessor determines necessary. Lessee agrees to pay the full cost for any damage to or loss of such equipment while in the possession and control of Lessee.
9. Lessee will not retain equipment beyond its return date without prior notice to and consent of Lessor. Lessee will pay rental price in advance or immediately upon the return of equipment. Lessee agrees to pay all collection charges, including reasonable attorney's fees, if rental is not paid when due. Lessor, at Lessor's sole discretion, may report equipment stolen if held beyond return date.
10. Lessee shall provide a security deposit in the form of a check or credit card authorization in the amount of the replacement value of the rented equipment, as determined by the Lessor.
